February 7, 2024

This notification is to advise you that the Department has received and is presently reviewing the following request for a shoreline construction project:

Barry Godfrey– Request No. 2024-012 - Request to install 110' of replacement vinyl bulkhead. Max channelward not to exceed 1.5'. This project is located at 1630 Mercers Way, Berlin, also known as Tax map 16, Parcel 108, Lot 54. Third Tax District of Worcester County, Maryland.

The Department in considering this application will make specific findings of fact with regard to the environmental impact, navigational impact, recreational potential, commercial benefit to Worcester County, impact of the proposed construction upon the surrounding neighborhood and upon property values therein, and any other pertinent issues. Approval from the Department does not guarantee approval from any other applicable regulatory agencies.

If you have an interest which may be adversely affected by the issuance of this permit, you are requested to notify this Department in writing within fifteen (15) calendar days which will end on February 22, 2024.

Sincerely,

Brandy Whitlock
Environmental Inspector

As the applicant, I attest that the information presented on this application, site plan and any written documentation attached hereto is known to be accurate. I understand that the proposed shoreline improvement will be constructed to meet or exceed minimum design standards adopted by the Department. Any deviation from these standards will require construction plans sealed by an engineer registered in the State of Maryland. I acknowledge that any falsification of information presented may result in revocation of this approval and of the subsequent Shoreline Construction Permit.
